

# WE MAKE YOUR BUSINESS BETTER THAN OTHERS

## ADVERTISE WITH US

- Radio advertising has several benefits for small business: It's affordable. Because repetition is important to radio advertising, the low cost enables you to run multiple ads, which gets better results.
- TV advertising reaches potential customers when they are at their most attentive. It allows you to convey your message utilizing sight and sound.
- Streaming - Your commercial will air indefinitely. When someone wants to go back and watch all the episodes... There you are.

## WHY CHOOSE US

Because our success is determined by your success. Our job is to promote you. With our combined success, we foster after school programs teaching broadcasting, journalism, TV & Film. We help each other and teach future generations.

- ✓ Our limited time promotion will get your ad on the Radio, TV (channel 3), Rumble and YouTube. By sponsoring our new shows we will promote you during each sponsored episode and across all of our social media and website posts for the show you choose to sponsor.

### Radio

By sponsoring one of our shows, your 30 second ad will run off-peak

### Television

Cable channel 3 is the first thing visitors see in most hotel rooms in Mammoth and Bishop. Your 30 second ad will run before the show. We will also chat you up during the episode.

### YouTube & Rumble

Everything with Television but also your ad will be permanently a part of the episode on YouTube and Rumble.

### Social Media & Web

When we communicate via social media and the website we will mention you as the sponsor and tag your business.
